“Dining for Dollars”

Host a lunch, dinner or both at the Randolph Piccadilly Pub Restaurant and earn up to **15%** of the sales generated from guests who eat at the “Pic” to support your group.

Getting started is simple:

1. Fill out an application and return it to a Manager at the Randolph Piccadilly Pub.
2. Schedule a time to meet with the General Manager to set a date, discuss your event and pick up your “Dining for Dollars” tickets.
3. Promote your fundraising event! Make copies of the “Dining for Dollars” tickets and distribute them to anyone you believe wants to support your organization.
4. On the date of the event your supporters visit the Randolph Piccadilly Pub. They present their “Dining for Dollars” tickets when they arrive and a percentage of each of their bills will be donated to your organization. **10 %** if your group’s total sales are less than \$1,000 or **15 %** if total sales are greater than \$1,000. (Excluding tax and tip). Gift card sales will not be included. **“Dining for Dollars”** tickets cannot be distributed at the Pub or within the perimeters of our parking areas on the day of your fundraising event.
